Aug 8, 2023

DEVON, Pa., Aug. 08, 2023 (GLOBE NEWSWIRE) -- Zynerba Pharmaceuticals, Inc. (Nasdaq: ZYNE) (the "Company"), the leader in innovative pharmaceutically-produced transdermal cannabinoid therapies for orphan neuropsychiatric disorders, today announced that the new date for the adjourned 2023 Annual Meeting of Stockholders ("Annual Meeting") is August 25, 2023 at 9:00 a.m. EDT in order to provide stockholders additional time to consider and vote on Proposal 2 to amend the Sixth Amended and Restated Certificate of Incorporation of the Company to effect a reverse stock split of the Company's outstanding shares of common stock by a ratio of any whole number between 1-for-2 and 1-for-50, at any time prior to November 1, 2023, the implementation and timing of which shall be subject to the discretion of the Board of Directors of the Company. The August 25, 2023 meeting date replaces the previously announced August 11, 2023 date for the reconvened meeting and will be a "virtual" meeting of stockholders. The record date for the adjourned Annual Meeting continues to be April 17, 2023.

Details of the reverse stock split are included in the Company's Proxy Statement for the Annual Meeting. The primary objective of implementing a reverse split is to satisfy the minimum bid price requirement for continued listing on the Nasdaq Capital Market. The Company's Board believes that effecting the reverse split would increase the price of our common stock which would, among other things, help the Company to meet certain continued listing requirements of the Nasdaq Capital Market, appeal to a broader range of investors to generate interest in the Company, and improve perception of the Company's common stock as an investment security.

If stockholders have any questions or need assistance with processing their vote, please contact the Company's proxy solicitor, MacKenzie Partners, Inc. (email: proxy@mackenziepartners.com, or toll free: 1-800-322-2885).
